

# HALF DAY TOUR - QUINTA AVELEDA

Departure from Catholic University - 05 August

09h00am to 12h30am  
14h00pm to 17h30pm

The trip to this wine estate will take about 40 minutes drive.

The history of the Quinta da Aveleda estate is lost in time, but there are countless records of this estate after the 16th century. It has always been an agricultural property made up of a collection of estates which were handed down over the years until around 1850, when Manoel Pedro Guedes de Silva da Fonseca, tired of life in the capital and of politics, started to fall in love with his estate and went to live at Aveleda. He was a man of great vision and devoted himself to the property, planting vines, carrying out works and developing the structures at the Estate; he also built a wine cellar with a capacity for 300 barrels. Although it is currently the largest Vinho Verde exporting company, Aveleda is proud to remain a family-owned business in every way.

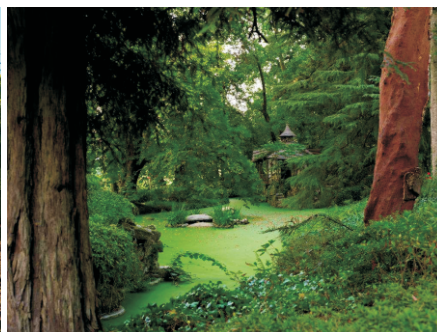

Visit to the beautiful gardens and property followed by a wine tasting of Vinho Verde with some cheeses produced as well in the farm.

At the end of the visit clients can buy some of these regional products in the shop
