DESPACHO ADM/0318/2018

ASSUNTO: **Declaration regarding the General Data Protection Regulation**

— The Universidade Católica Portuguesa is actively committed to the process of implementing the conformity measures set out in the General Data Protection Regulation, having furthermore established a partnership with the company KPMG.

To this end, the University has put in place the adequate resources and is carrying out the processes aiming at the fulfillment of what is set out in the aforementioned Regulation, namely, the survey and mapping of all personal data treatment and the formalization of all procedures, having defined the methodologies necessary to assure the exercise of the rights of the data subjects.
